| Keith was a exceptionally instructor, whose knowledge about the subject was evident and ability to teach resonated |
| Very personable and understanding. Takes the time to make sure students understand the material no matter how "trivial" the material may be. |
| Great GSI — clearly knows his stuff, and is very approachable & friendly. I also love how the discussion worksheets doubled as a study resource |
| Very positive and receptive to students |
| Keith is a great GSI. He prepares so much for each section and explains things very well. Always open to questions too. |
| Keith is a fantastic GSI. I enjoy when he comes to lecture, and I love that Sascha frequently asks him questions that she may not know the answer to, and he often can help answer them. The discussion section notes were very thorough and helpful. |
| Absolutely amazing GSI! I would be very happy with Keith leading a class of mine in the future. He is incredibly knowledgeable on the material, explains content very clearly, and (even when we're in person and have masks on) can clearly tell whether people are following along. I do wish that they had kept a second discussion time since I had a class conflict with the afternoon section. |
| I really appreciated how much effort Keith put into this class. It is very apparent that he cares about the students and their success. I sometimes found the discussion material to be dense and difficult to grasp but often was able to clear up conceptual questions during office hours. Thank you Keith! |
